EXPERIENCE

Extern

September 2024 - October 2024

PwC Remote Extern

- Selected as one of the top 5 students to deliver one of the final presentations to ACHIEVEability executives and PwC consultants, showcasing strategic recommendations based on independent research.
- Conducted research on donor engagement trends, identifying potential donors aligned with ACHIEVEability's mission and analyzing successful fundraising techniques from similar organizations.
- Developed and presented actionable communication tactics to improve donor outreach and enhance fundraising efforts, collaborating with PwC consultants and ACHIEVEability executives.

ACADEMIC PROJECTS

University of Houston - MIS 3360: Systems Analysis and Design

Fall 2023

Group Deliverables

- Led a team of six students through 21 class assignments, ensuring timely and quality submissions.
- Promoted open communication to clarify team contributions and accountability, fostering team cohesion.
- Developed and enforced group work protocols to guarantee fair and accurate assessment of individual efforts.

University of Houston - MIS 3371: Transaction Processing

Fall 2023

Registration Form Website

- Independently developed a user-friendly registration form website using JavaScript, HTML, and CSS.
- Used JavaScript to add dynamic features, improving registration with real-time validation and error handling.
- Incorporated secure data handling practices to safeguard user information, maintaining privacy and data security.

University of Houston - CaseQuest (MISSO & CougarCS Case Competition)

Fall 2023

Participant

- Collaborated with a team of three colleagues within Figma to design User App Flow, UI/UX elements, and Technical Architecture, creating a collaborative marketplace uniting MISSO and CougarCS.
- Developed a marketplace design emphasizing user adoption, monetization, and quality assurance.
- Commended for outstanding presentation and system design, including API integration and load balancing.

LEADERSHIP & ACTIVITIES

Management Information Systems Student Organization (MISSO)

Spring 2023 - Present

Member

- Engaged in a wide range of events and activities hosted by MISSO, which include networking events, professional meetings, and information sessions.
- Served as an active member of various MISSO committees, contributing to the planning and execution of successful events and initiatives.
- Assisted 20+ MISSO members with assignments pertaining to Transaction Processing and awarded the most active Transaction Processing committee member in Fall 2023.
